The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Sharon F. Lyles.

## DIGEST 2016 Regular Session

SCR 43 Original

Cortez

Requests DOTD to study the feasibility of corporate sponsorship of state bridges, other department infrastructure, or equipment and to submit a report of the study results to the House and Senate committees on transportation, highways and public works no later than February 1, 2017.
